Contact Agent

Located on one of North Hobart's most prominent, and perhaps busiest junctions, office suites in the building known as Robey House provide the perfect entry level space for small businesses, start-ups, and creatives.

Room 4 is located at the top of the stairs and provides approx. 20m² of space with plenty of natural light from the north-westerly facing window.

Amenities are shared and include kitchen and bathroom spaces. There is potential for signage at the front door, and an intercom system helps to announce visitors.

Zoned Urban Mixed Use, this pocket of North Hobart includes neighbours like Hill Street Grocer, Daci & Daci, Porters Liquor and Epic Pharmacy (New Town).

The current tenant has outgrown the space so this is your opportunity to make a move. Rooms in this building have leased quickly in the past. Contact the Agent for pricing details and to organise your inspection.
