Purchased by the current owners in 2000 and operating from its current location since 2007, the business has received multiple SA Great Innovation Awards for its craftsmanship. Retail sales run seven days per week, while production is currently run offsite.

In addition to candles, the shop is a key Australian retailer of traditional German folk art, including handcrafted wooden ornaments and nutcrackers. The sale includes retail equipment, stock, and intellectual property, offering an excellent opportunity for an artisan craft enthusiast or a retail operator seeking an established business.
