Repairs

Topline Autobody Restoration & Kapunda Crash Repairs

\$240,000 + SAV (\$15,000 approx.)

At A Glance:

- Operating since 2013
- Panel repairs, painting, fabrication, restorations
- Secure workshop with 3-phase power & solar system
- Owner operated
- Known as repairer of choice for insurance companies

Operating since 2013 and at its current premises since 2014, this business is a trusted choice for insurance companies, dealerships, and private clients.

Specialising in panel repairs, painting, fabrication, and restorations, it runs five days a week as an owner-operated venture with no staff, ensuring hands-on quality control.

The secure workshop features high-entry roller doors, drive-around access, an alarm system, CCTV, 3-phase power, and a 21KW Bosch solar system. Capricorn Automotive membership, Xero bookkeeping, and Crash Zone software support operations.

With no online presence, there is potential for digital marketing. A handover period is available to provide guidance and support, ensuring a seamless transition for the new owner.
