Previously operated under management the current vendor is now working full time in the business, employing 11 casual staff members. The business is equipped with a comprehensive list of plant and equipment to support its wide range of services.

Bishops is recognised for its reliable service and meticulous attention to detail, offering a full suite of services, including lawn mowing, hedge trimming, mulching, planting, and yard clean-ups.

This business presents an excellent opportunity for a new owner to take over an established and thriving operation with a solid reputation and a stable market presence.
