others on an occasional basis, and over the years other companies have approached the vendor to distribute goods on their behalf.

It currently sells goods to approximately 50 customers from locations between Port Wakefield, Port Broughton, Edithburgh, Yorketown, and Point Turton.

The business rents a depot in Moonta where the plant and equipment is stored, and includes an office space used for administration purposes, with the new owners able to take advantage of the current premises or run the business from home to assist with keeping costs down.

Smallgoods Direct is operated by a sole vendor, with no additional staff required, with sales averaging over \$800,000 annually.
