online presence to provide service, caravans parts and accessories, and expertise Australia-wide.

The service and repair shop has grown over the years, with 2 bays of well equipped, highly experienced service, repairs and modifications for all makes and types of RVs including caravans, pop tops, wind-up camper trailers and motorhomes. They offer insurance work, specialising in all accident damage to aluminium clad caravans, storm & accident damaged awning replacement and repair to Dometic A&E, Carefree and Aussie Traveller rollout awnings.

The A1 Caravans freehold site comprises of an office, retail shop, warehouse, storage sheds and a workshop. The vendors are willing to offer a lease should the purchaser not wish to purchase the property.
