Pasta Mia manufactures a range of pasta varieties from classic spaghetti and fettuccine to unique artisanal shapes, catering to the diverse preferences of its clientele.

The business trades 5 days per week providing an excellent work/life balance for a working owner, with the vendor currently working 4 days per week only.

This is an exceptional opportunity for entrepreneurs or established food industry players to acquire a well-regarded pasta manufacturing and wholesale business. Whether looking to enter the market or expand an existing portfolio, Pasta Mia offers a turnkey solution with a proven track record and a solid foundation for future success.
