✉️ paul.windle@sa.rhc.com.au

the preferred supplier for BHP.

The business was established over 25 years ago, with the Roxby Downs operations commencing in 2010 and is operated by two vendors with 1 staff member.

Operating 5 days per week, the main base is run from a home office, whilst a home is leased in Roxby Downs for their regional base.

For potential purchasers seeking a solid investment opportunity in the pest control industry, Outback Pest Control offers a compelling proposition. With a well-established presence and a track record of excellence, acquiring this business presents a promising avenue for growth and success.
