base and benefiting from both in-store and online sales. Just 10 minutes from the CBD, it is well-positioned to serve local and national customers.

Founded in 1991, Skater HQ is Australia's longest-running skate store and leading online retailer. It has a rich history of sponsoring athletes and hosting competitions, remaining at the forefront of the online market.

The sale also includes Skatescool assets, which support additional revenue streams through a successful 10-week school program and other skating education initiatives.

Skate Society and Skater HQ offer a unique opportunity for a buyer to capitalise on a well-established brand, dedicated following, and multiple revenue streams, including retail sales and education programs.
